Jeff:

Thank you so much for coming to the Fourth Annual Multicultural Comedy Show at the University of Notre Dame. The **Ambassadors of Comedy** comedians are truly talented and had amazing material. The students really enjoyed themselves that evening and people were talking about it for several days afterwards. The turn out was really great as well considering we were competing against many other campus events/activities.

Again, we appreciate that you made a trip here to Notre Dame and we hope to have you again in the future! Thank you.

Sincerely,

Arthur Taylor

**End of the Year Comedy Show: Featuring the Ambassadors of Comedy**

Dear Mr. Hodge,

I am writing to thank you for the great show performed on April 22<sup>nd</sup> as part of the last week of school celebration. The comedians were very funny and the event ran very smoothly. The mix of cultural comedy was ideal for our programming goals of both educating and entertaining our diverse student body. Students were very congratulatory of the performance and the show itself.

I look forward to working with the Ambassadors on future comedy events. Thanks again and I wish you good luck in future performances.

Dear Ambassadors of Comedy,

On behalf of UCLA, we would like to extend our deepest thanks for your participation in our Speakers Program.

Your professionalism and humor were a great asset to the UCLA Speakers program, and we would love to have you back again soon. The audience loved your fresh take on comedy that appealed to the multi-ethnic culture of the UCLA campus. The article in the *Daily Bruin*, also introduced many more students to the local comedy scene. It was truly a pleasure to host such an entertaining group as yourself.

The UCLA Campus Events Commission brings films, speakers and concerts directly to the UCLA community. The commission is a non-profit organization run entirely by students and is reliant on the support of people such as yourself who are willing to assist our organization. If we can be of any further assistance or answer any questions, please do not hesitate to contact us at 310.748.8336 or fax us at 310.825.1070.

Thank you again for being so generous.

Sincerely,

Dear Jeff,

Thank you so very much for bringing the "Ambassadors of Comedy" to Sacramento State University on July 11, 2007! The comedians delivered a FANTASTIC show! The entire audience had a great time; many thanking us for a wonderful evening. My student volunteers also enjoyed themselves. Not only were they entertained, but the performers were great to work with- all very down to Earth, laid back and easy-going.

There were about 300 + in attendance that night. Considering the campus is completely empty at 7 pm during the Summer, this was a wonderful surprise.

I look forward to having Ambassadors of Comedy back again during the semester!!!

Thanks again!

Sincerely,

**Re: Ambassadors of Comedy**

Hey Jeff,

What a show! That was absolutely incredible... You promised a great show and delivered ten-fold. As I told you in our initial conversation, comedy has never done well here at UCSD, but The Ambassadors of Comedy packed the seats and kept everyone sitting all night. There wasn't an empty seat in the club. The expected turnout for the show was about 100, but actual attendance ended up being well over 500 students.

The response was incredible. Everyone that attended had a wonderful time. You brought a very entertaining, yet classy show to our campus that everyone in the audience could relate too. Your dancer and emcee were wonderful additions to the show. They really got the show off to a very hot start.

Also, thanks for being so flexible with your scheduling. All of us here at UCSD appreciated the fact that you could come and do the show on such short notice. We definitely would love to bring The Ambassadors of Comedy back for another show in the near future. Undoubtedly the show will have an even larger response the second time around. Thanks for all your professionalism and bringing a quality show to UCSD.

Sincerely,
